

The background image shows the deck of a ship. In the center, there is a large white satellite dish mounted on a black structure. Several crew members wearing high-visibility yellow and orange safety gear are standing around the dish. To the right, there is a yellow crane or hoist system. The sky is clear and blue. On the left side, there is a white railing and a sign that partially reads "AM", "ADIC", "DS", "ON", "AIL".
